

Replicant - Issue #1065

Make sure ***we*** provide all the corresponding source code.

11/08/2014 03:38 PM - Denis 'GNUtoo' Carikli

Status:	Closed	Start date:	11/08/2014
Priority:	Normal	Due date:	
Assignee:	Paul Kocialkowski	% Done:	100%
Category:	Legal	Estimated time:	0.00 hour
Target version:	Any version	Spent time:	6.00 hours
Resolution:	duplicate	Grant:	
Device:		Type of work:	
Description			
Since we forked Cyanogenmod (And before AOSP), we want to make sure we do provide all the source code. That is to say, we don't want to depend on the upstream project for providing any of the source code.			
Subtasks:			
Issue # 1059: Find out if it's still possible to get the old images's corresponding sou...			Closed
Issue # 1077: Verify if Replicant 1.5 is fetchable			Closed
Issue # 1083: Verify if Replicant 2.2 is fetchable			Closed
Issue # 1089: Verify if Replicant 2.3 is fetchable			Closed
Issue # 1095: Verify if Replicant 4.0 is fetchable			Closed
Issue # 1071: Host all the upstream project code that we use.			Resolved

History

#1 - 01/17/2015 03:19 PM - Paul Kocialkowski

- Target version changed from 21 to Any version

#2 - 12/11/2015 03:19 PM - Denis 'GNUtoo' Carikli

- Device Not device specific added

#3 - 05/02/2017 12:52 PM - Wolfgang Wiedmeyer

- Description updated

- Device added

- Device deleted (Not device specific)

#4 - 03/07/2021 05:22 PM - Denis 'GNUtoo' Carikli

- Resolution set to duplicate

moved to bug [#2224](#)

#5 - 03/07/2021 05:23 PM - Denis 'GNUtoo' Carikli

- Status changed from New to Closed
